

### REMARKS

Applicant requests reconsideration of the above-mentioned application in view of the foregoing amendments and following discussion.

1. Allowance of claims 33 - 35, inclusive, 43 - 46, inclusive, 106 - 117, inclusive, 126, and 139 - 146, inclusive is noted and appreciated. Applicant further notes that claim 43 is currently amended to correct a typographical error, insofar as the claim incorrectly recited two first sides and a second section margin having no antecedent basis. Correction was made to properly recite a third section margin and to clarify the location of the first side. No new matter has been added.

2. Claims 148 - 150, 152 - 154, and 156 - 160 have been objected to as being dependent upon a rejected base claim, but are indicated to be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claims 148, 152, and 153 have been amended according to the Examiner's suggestion and are believed to be in condition for allowance. Claims 149, 150, 154, and 156 - 160 depend from independent claims believed allowable, and as such, are also believed to be in condition for allowance. Accordingly, applicant requests that the objection be withdrawn and claims 148, 152, and 153 as amended, and 149, 150, 154, and 156 - 160 be passed to allowance.

3. Claim 147 has been rejected under 35 U.S.C. 102(b) as being anticipated by US Patent No. 5,628,724 (DeBusk et al.). Claim 147 has been cancelled.

4. Claims 151 and 155 have been rejected under 35 U.S.C. 103(a) as being unpatentable over DeBusk et al. Claim 151 has been cancelled. Claim 155 has been amended to now depend from amended independent claim 152, believed allowable. As such, claim 155 as amended is also believed to be in condition for allowance.

Applicant respectfully requests that the objections and rejections be removed, that amended claims 148, 152, 153, and 155 and claims 149, 150, 154, and 156 - 160, inclusive, be passed to allowance along with allowed claims 33 - 35, inclusive, 43 as amended, 44 - 46, inclusive, 106 - 117, inclusive, 126, and 139 - 146, inclusive.

Respectfully Submitted,

By
